

McDonalds Night – May 22nd, 4-7PM

Has heard talk from parents about not wanting to buy from recent fundraisers because parents feel if the school is closing, they don't know where the money is going. If JM Hill closes, money will be allocated fairly for each child that goes to a different school and will follow that child to the school they go to.

President's Report

Carrie Panepinto

Have proposed budget from Board meeting this week for anyone who wants to view it

It is balanced without closing any school

May 14th is another budget meeting, May 21st is regular Board meeting, June 4th, vote

Mr. Gress, Board Member is here. He thanked everyone who is attending the meetings regularly. We can write letters, call Board Members. A few Board members have said to him "We are closing JM Hill". We need to show support of these schools and show that we are families and not just numbers.

Believes the vote will come down to 5-4

Superintendant coffee chat, Saturdays 9:30 – 11. Go to them
Very informal

Pepsi refresh grant. Would like to form committee. Keep talking about it, but we need to do it. Will send an email blast.

Also will have sign ups at Family fun Day and Bingo for Books
Believes Pepsi gives 5 \$50,000 grants

"Call to Action" – May 15th and 16th. Calling State Reps and asking for money that our district is entitled to. East Stroudsburg gets the least amount in the entire state of Pennsylvania. Mr. Gress said there is a formula the state uses that was created in 1991, and it's never changed.
