Description of OverDrive SDL Advantage:

- Custom collections for your school within the shared district collection website. OverDrive SDL
 Advantage is a program that enables members of SDL shared collections to add a custom collection
 exclusively for their students. These individual schools, upon enrolling in OverDrive SDL Advantage, may
 purchase digital titles in formats that their shared collection supports (e.g., audiobooks, eBooks, music
 and/or video) and make them available to their students within their shared collection's OverDrivepowered "virtual locker" website.
- Benefits. SDL Advantage member schools may reduce waiting lists by purchasing additional copies of
 popular titles and making them available only to their students. SDL Advantage members may also
 create custom collections by purchasing titles that are not in the shared district collection but are of
 interest to their students. The SDL Advantage member library's titles will appear on the same
 OverDrive-powered website their students have always used, eliminating the need for additional URLs
 and links.
- SDL Advantage Titles and Materials. All material purchased by participating SDL Advantage school are
 for the exclusive use of the SDL Advantage school students. SDL Advantage materials will not be visible
 to other district school members. SDL Advantage school students will be asked to sign into their
 accounts in order to see the additional titles and to check out Advantage material.

President-elect

William S. LaCoff *

Colleagues,

I'm Bill LaCoff. I was first elected to the school board of Owen J. Roberts SD in 1995. Being retired, my service on the board and with PSBA as a Liaison and Federal Relations Network member is my current "job." Prior to retiring, I was employed in various aspects of the real estate industry; as a mortgage broker, an agent and a property manager. My involvement with the community is extended beyond schools. I am President of a non-profit, Historic Yellow Springs, that is focused on art, culture and the environment. Villanova University is my alma mater.

Anita is my wife. We have five grown children, six grandchildren and one great-grandson. All of these (except the baby!) are products of our system of public education. I, myself, attended the best schools public education has to offer. This experience, from my entrance into first grade, up to the latest experiences of my grandchildren, has instilled in me a deep appreciation for the value of our public schools. Public schools are no less than the foundation of our democracy. For our country to succeed, our children must succeed.

That is the "passion" part of why I am seeking the office of President-elect of PSBA. My experience makes me uniquely qualified to be a leader of our organization. I don't say that lightly or with hubris. I was President of the organization in 2007. So, in addition to my experience with FRN and as a liaison, I have had experience as a Region leader, President of the Insurance Trust, and a Trustee of the Pennsylvania School District Liquid Asset fund. My focus has always been on good governance; whether it be at PSBA, Owen J. Roberts or Historic Yellow Springs. In every setting, I have been on the Governance committee or its equivalent. Perhaps that is why school board members from various parts of the Commonwealth sought me out to once again lead the organization and I accepted the challenge.

Good governance is also my goal as a leader of PSBA. We are in a transition phase. We will have a new Executive Director to lead us forward. I offer institutional memory that is vital in a transition. The effect of good governance is to strengthen PSBA. I promise to be fair to all our members and to be respectful of their opinions and desires. I promise to be respectful of the staff that works hard on our behalf. I promise to represent the organization in public in the most professional way and to constantly advocate for public schools.

My goal for PSBA is to make it continually improve for school board members. We must show value to our members so we can help them be better board members. Better board members mean successful schools and successful schools mean successful students. That is why, with your support, I will bring passion to the leadership of PSBA.

Mark B. Miller

I am Mark B Miller, 1st Vice President of Pennsylvania School Boards Association, School Director in Centennial School District, and Co-Chair of Keystone State Education Coalition. I also serve with Diane Ravitch on the Board of her Network for Public Education, a national organization supporting public education.

My goals as your President Elect are to refocus PSBA on our "Core Values" (Excellence, Leadership, Commitment, Integrity, Respect, Teamwork) and to complete implementation of PSBA's governance changes initiated in 2012. Rely that my team will include PSBA's Membership, plus important stakeholders like PASA, PASBO, PSEA, PAESP, PARSS and our General Assembly. Please see my website (www.markbmiller.com) for more objectives and several letters of Endorsement.

This year, I serve as Chairperson of PSBA's Legislative Platform Committee and PSBA's Career and Technical Education Task Force. I constantly "Stand up for Public Education" testifying at all levels (federal and state), advocating a properly funded system of free and appropriate public

education in the least restrictive, safe environment be available for all children. In addition to providing testimony to several House and Senate Committees, I've performed numerous speaking engagements across Pennsylvania, New Jersey and New York.

One highlight of my current PSBA term was being invited to participate in a nationally broadcasted conference call with First Lady Michelle Obamba to promote health and wellness in schools.

My PSBA advocacy carries over to Keystone State Education Coalition. KeySEC is a grassroots organization reaching more than 2,500 Pennsylvania education policymakers – school directors, administrators, legislators, legislative and congressional staffers, parents, leading educators, media, several regulatory agencies, professional associations and education advocacy organizations each day.

At the national level, I am a delegate to NSBA's Federal Relations Network since 2009, visiting regularly with members of Congress and their staffs to share my insight as a member of NSBA's Teacher/Principal Effectiveness and Early Childhood Education Committees. I strive for increased funding of IDEA, reauthorization of ESEA and Child Nutrition Act. I am on NSBA's Nominating Committee and a charter member of NSBA's Corporate Partnership Council.

Professionally, I am a marketing consultant and artist manager/agent with a roster of prominent clients, including The Jacksons, four movie studios, Kellogg Company, Wyeth-Ayerst and Nestle. I attended/graduated from Philadelphia's Central High School, Pierce College, Philadelphia College of Textiles & Science and Temple University. I am managing partner of a small west coast publishing company (Journey Publications LLC), vice president of NIXLE, Past Master of my Masonic Lodge and PlAA sports official. I am most proud of being a single parent to three adult children, Jaclyn (a public school teacher), Brooke and Leland.

A retired farmer, Breech has been recognized for his 17 years of state and national grassroots advocacy on behalf of family farmers and rural communities, including a citation for "exemplary rural leadership" from the PA House of Representatives. He is currently serving as a guest teacher for several school districts. He earned his Bachelor of Science degree from Penn State and is a graduate of the Rural Leadership Program (RULE VI) hosted by Penn State.

Charles H. Ballard *

Chuck Ballard is a Registered Professional Engineer in California and Pennsylvania. He has a BS degree in Nuclear Engineering from the University of Michigan and an MS in Electrical Engineering and Computer Science from the University of California, Berkeley. He has been chairman (twice) of the Human Factors Division of the American Nuclear Society (ANS) and a member of the Board of Directors of ANS. He currently resides in Emmaus, Pennsylvania with his wife, a dog and a cat, and won't begin to tell you where he fits in that pecking order. His hobbies are reading (primarily science fiction), amateur radio, gardening and computers. He has been an elected School Director for the East Penn School District for nearly 18 years, currently is Board President and has been active as a member of the Pennsylvania School Boards Association and the National School Boards Association, including the Federal Relations Network. His family motto is "Non illegitimi carborundum". Like Diogenes, he is out seeking a leader, honestly.

Statement:

I believe PSBA has to change. If you don't want PSBA to change, don't vote for me.

Public education is facing unprecedented challenges that we have never faced before. We have private interests trying to take over schooling our children. We have legislators trying to keep their state-paid 'jobs' by doing everything by popularity poll. We have groups that want to separate their children from associating with the children in public schools. We have ideologues trying to label public schools as "government schools" with the implication that we are somehow 'brainwashing' students.

PSBA needs to change to counter these threats. We have been too passive in responding to these attacks on public education and we need to do more. For example, I believe PSBA should be producing public service announcements for radio and TV fighting back on these issues.

Simple messages like:

"We are NOT 'government schools'---We are PUBLIC schools -----YOUR schools. Help PSBA fight privatization of your schools. For more information go to www.PSBA.org/YourSchools. The Pennsylvania School Boards Association."

We need to do more for members who are not long-time school board members, who might have to face contested elections every 4 years and changing board majorities. Longevity is a good

thing, but the majority of our members don't serve that many terms and need to be energized to become more active in the operation of PSBA, and get more benefit from that association.

In short, I am advocating reform of PSBA. I want to reexamine everything we are doing to see if it still makes sense in today's environment and direct more of our efforts into activities that will be more effective in countering the erosion of public confidence in education and our roles as elected officials to provide a thorough and efficient system of public education for Pennsylvania.

If that is what you want, I ask for the vote of your board for my candidacy for Vice-President of PSBA.

- "Sometimes it is not enough to do our best; we must do what is required"
- Sir Winston Churchill (1874-1965)

I am passionate about public education and in the belief that they are critical institutions necessary to keep America great. Others do not agree – we read everyday about some politician or some billionaire or some think tank assailing public education for the ills of society.

PSBA is an advocate for public education. If elected I will stand with PSBA to make its voice even stronger and to stand against those who are misguided in their beliefs about what education is and just how hard it is to educate the youth of today.

I believe in and live by PSBA's 6 core values:

- <u>Leadership</u> to inspire others to achieve extraordinary results. This requires vision, risk-taking and demonstrating excellence.
- Excellence to strive to always give our best.
- <u>Commitment</u> to demonstrate our belief in public education and the importance of local school governance
- Integrity to are honest, responsible and ethical in everything that we do

- <u>Respect</u> to recognize the dignity and worth of everyone by treating them with courtesy and fairness
- <u>Teamwork</u> Individually, we possess unique strengths and skills. Together, we achieve greater common goals through collaboration and communication.

To take our message forward we must have money and therefore we must be fiscally sound. I am running for PSBA Treasurer to insure that we have the resources necessary to support our mission of promoting public education.

Because most of our PSBA's staff are participants in PSERS, our greatest challenge is to plan for the PSERS retirement funding, which like our school districts, is grossly underfunded. To that end I have developed a comprehensive 10 year plan for our local board as well as a model to use for PSBA. A copy is available by writing to me at ovoit@mac.com

I have the strong business and financial acumen necessary to do this job well. I have served in progressive executive positions which include Chief Financial Officer, Executive Vice President, General Manager and President. I have been recognized for my critical thinking and analytical capabilities. I have been CFO of a \$100million dental and cosmetic company, an engineering software company and an INC500 educational materials company.

Some personal highlights are:

- Executive MBA, w/honors, St. Joseph's University
- · B.S., Penn State University
- Member Institute of Management Accountants
- Veteran of the Persian Gulf War
- Active in Cub Scouts and Little League Coaching
- Elected member of the Muhlenberg School Board in Berks County for 14 years and have served as President and Vice President.
- I reside in Muhlenberg with my wife of 25 years, Sheryl.
- Together we can advocate for public education. Public education is so critical to our country's future that doing our best is not enough; we must do what is required.

At-Large Representative (East) Representing Regions 7, 8, 10, 11, 15

Maura Buri

I am a mother of three children, all of whom are in public school. I run a Home Day Care Center and am a trainer in two gyms. I have been involved with numerous community service organizations and events: Valley Forge Optimist Club; King of Prussia Soccer Club; Big Brothers/Big Sisters; and Girl Scouts of Eastern Pennsylvania; and Upper Merion Fit Fest (founder and leader for six years running). Running for a Director position in the Upper Merion Area School District (my local District) seemed a logical next step for me. I believe in educating our children for their future and for the future of our communities. Whether the students leave high school to enter college, vocational training, the military, or the workforce, it is our job to make sure they are not only educated but well–rounded: fluent in the arts, sports, service clubs, and the many organizations that make our communities truly livable spaces.

This is my election year and I am running unopposed, so I am looking forward to my next four-year term. As soon as I knew I would be serving a new full-term, I began attending seminars and webinars that are offered by PSBA to further my knowledge about the organization and on the full range of issues with which it deals. I am interested in the position of At-Large Representative (East) with PSBA because I feel that my broad experience as a business owner, mother, and community worker gives me perspective that would allow me to give voice to the needs of many districts – perhaps, especially those that differ in size and wealth. I would relish the opportunity to interact with Directors in other Districts, encouraging them to take advantage of the enormous resources that PSBA provides and to help build the organization. I am extremely motivated and dedicated to educational success and look forward to helping shape the foundation for such success throughout the Eastern Region of Pennsylvania.

Robert M. Schwartz *

Ladies and Gentleman;

My name is Robert M Schwartz and I am the endorsed candidate for the Eastern Region - Member at Large to the PSBA Board of Directors. I am a Financial Advisor with my own independent practice located in Hawley, PA near Lake Wallenpaupack in the Poconos. I am also 50 years old and have been married for 18 years with two stepchildren. One of my stepchildren (now in her early 30s) is a special needs woman with both physical and developmental challenges. My stepson (married and in his late-20s) graduated 4th in his high school class, cum laude at Lafayette College and with honors when receiving his master's degree at University of Delaware.

I have been on the school board of the Wallenpaupack Area School District for 7 years having been appointed to replace a member who resigned and twice re-elected to my position. For the past 2+ years I have been Wallenpaupack's representative to the NEIU 19 Board of Directors and I have just begun my tenure as president of that board. My other involvement includes more than 15 years as a member of the Rotary Club of Newfoundland, past board member of the United Way of Lackawanna and Wayne Counties, and 20 plus years of involvement and management of Challenger Little League which is a baseball league for children with disabilities.

My ability to thoroughly and objectively evaluate issues as they arise linked with my desire to get involved has made me an asset to just about any organization that I have been a part of. With 30 years of sales and consulting experience I have always been willing to both praise and honor accomplishments but I will not hesitate to vocalize my opinions when I feel that there is a better way than 'what we have always done'. Although some people are initially put off by me readiness to point out an opportunity for improvement, they tend to quickly rally to my side when they see that; 1) I don't point out a problem unless I am willing to help find a solution, 2) I am willing to point out challenges and issues of my own, and 3) I will always roll-up my sleeves to work towards whatever corrective action needs to be done.

At-Large Representative (East) Representing Regions 7, 8, 10, 11, 15

(Schwartz continued)

I may be candid but you will ALWAYS find that I am honest and fair in my criticisms AND my praises. As a board member and in anything else I am involved with – I am not there to add a line to my resume...I only get involved if I am going to be an active part of the team. My goal for the PSBA is to make it a true statewide advocate and educational tool for all the school boards across PA. I think it is imperative that in particular the smaller districts and the districts in the lesser densely parts of the state need a unified voice.

I look forward to your support.

Re:

Proposal for Mechanical and Electrical Engineering Services

Resica POD Heat Pump Replacement

Dear Jim:

This is in response to your request for a proposal to provide Mechanical and Electrical Engineering Services for the above referenced project.

For purposes of definition in this proposal, East Stroudsburg Area School District will be known as the "Client" and as the "Owner", and the subject proposal as the "Project". SAE is the abbreviation for Strunk-Albert Engineering.

PROJECT DESCRIPTION 1.0

The heat pump serving the Resica POD is in need of replacement. This proposal is to provide the engineering service for design and placing the project out for bid.

This work will have to be bid using public bidding requirements. Our office will prepare the front-end bidding specifications and handle the bidding process. You or your representative will monitor the construction work and contractor coordination. Our representative will perform punch inspection.

We did not include a fee for the commissioning of the new heat pump system but can if desired. As a part of the project closeout, the contractors are responsible for providing "as-built drawings", operation and maintenance manuals, certificates of final inspection, equipment testing, testing and balancing reports, and instruction to the owner in the operation of all systems. We have been finding that these closeout procedures are often not given the attention that they should receive. Therefore, we recommend that the owner give serious consideration to being closely involved in these closeout procedures, and, to take it a step further; include our firm to commission the MEP system and to assist the owner in inspecting the final installation to insure that all systems are operating properly.

COLONIAL INTERMEDIATE UNIT 20 ALTERNATIVE and REGULAR EDUCATION TRANSPORTATION CONTRACT For School Year 2013-2014

This CONTRACT entered into this 28th day of August 2013 by and between COLONIAL INTERMEDIATE UNIT 20 at 6 Danforth Drive, Easton, PA 18045, hereinafter referred to as CIU20, AND

East Stroudsburg Area School District at 50 Vine Street, PO Box 298, East Stroudsburg, PA 18301

CIU20 and East Stroudsburg Area School District agree to enter into a contract where CIU20 provide and bill directly for Alternative and Regular Education transportation services for 2013-2014. Based on 2012-2013 aggregate miles the Intermediate Unit transported students and providing for our 2013-2014 budgetary increases and anticipated changes in number of students we will transport in 2013-2014, the cost for said service is projected to be \$2.37 per mile, for each student transported. This cost will increase or decrease depending on variations in number of students and miles transported from 2012-2013 and throughout 2013-2014. CIU20 will bill quarterly, (October 15, 2013, January 15, 2014, April 15, 2014 and August 15, 2014) based on our projected cost/mile and will then reconcile actual costs to you when the school year closes and after data and costs have been verified.

The Intermediate Unit will make every effort to accommodate new Transportation Requests for Alternative and Regular Education transportation students in as timely a manner as possible within the existing runs as already established. Should this service require a dedicated, new run to accommodate an overload of students on already existing runs, the Intermediate Unit may need to sub-contract with an outside vendor to accommodate these students until such time as an Intermediate Unit driver or substitute driver can be secured.

Please return signed agreement following appropriate administrative action to:
