246. STUDENT WELLNESS	
1. Purpose	East Stroudsburg Area School District recognizes that student wellness and proper nutrition are related to each student's physical well-being, growth, development, and readiness to learn. The Board is committed to providing a school environment that promotes student wellness, proper nutrition, nutrition education, and regular physical activity as part of the total learning experience. In a healthy school environment, students will learn about and participate in positive dietary and lifestyle practices that can improve student achievement.
2. Authority 42 U.S.C. Sec. 1758b	<p>The Board adopts the Student Wellness Policy based on the recommendations of the appointed Wellness Committee and in accordance with federal and state laws.</p> <p>To ensure the health and well-being of all students, the Board establishes that the school district shall provide to students:</p> <ol style="list-style-type: none"> 1. A comprehensive nutrition program consistent with federal and state requirements. 2. Access at reasonable cost to foods and beverages that meet established nutritional guidelines. 3. Physical education courses and opportunities for developmentally appropriate physical activity during the school day. 4. Curriculum and programs for grades K-12 that are designed to educate students about proper nutrition and lifelong physical activity, in accordance with State Board of Education curriculum regulations and academic Standards.
2. Delegation of Responsibility 42 U.S.C. Sec. 1758b	The Superintendent or designee shall be responsible to monitor the district's schools, programs, and curriculum of the school district to ensure compliance with this policy, related policies and established guidelines or administrative regulations.

<p>42 U.S.C. Sec. 1758b</p>	<p>Each school principal shall report to the Superintendent or designee regarding compliance in his/her school.</p> <p>Staff members responsible for programs related to student wellness shall report to the Superintendent or designee regarding the status of such programs.</p> <p>The Superintendent or designee shall periodically report to the Board on the district's compliance with law and policies related to student wellness. The report may include:</p> <ul style="list-style-type: none">• -Assessment of school environment regarding student wellness issues.• -Evaluation of food services program.• -Review of all foods and beverages sold in schools for compliance with established nutrition guidelines.• -Listing of activities and programs conducted to promote nutrition and physical activity.• -Recommendations for policy and/or program revisions.• -Suggestions for improvement in specific areas.• -Feedback received from district staff, students, parents/guardians, community members and the Wellness Committee. <p>The Superintendent or designee and the appointed Wellness Committee shall periodically conduct an assessment on the contents and implementation of this policy as part of a continuous improvement process to strengthen the policy and ensure implementation. The assessment shall include the extent to which district schools are in compliance with law and policies related to student wellness, and shall describe the progress made by the district in attaining the goals of this policy. The assessment shall be made available to the public.</p> <p>The district shall inform and update the public, including parents/guardians, students, and others in the community, about the contents and implementation of this policy.</p> <p>The Superintendent or designee shall ensure the school district's compliance with law and policies related to student wellness.</p> <p>An assurance that school district guidelines for reimbursable meals are not less restrictive than regulations and guidelines issued for schools in accordance with federal law shall be provided by the Director of Food Services.</p>
