school code of conduct and applicable Board Policy.

The school shall maintain a list of students who have misused ticket(s) in the current school year and the number of occurrences for each student. Prior to denying a meal to any student due to the misuse of a ticket, the list should always be reviewed to determine if the student has already had at least two (2) ticket misuses and/or special meal arrangements for misused tickets within that school year.

After two (2) misuses of a ticket or PIN Number in one (1) school year, the following may occur: the student may be charged the full price for a meal; or provided a complete reimbursable meal; or provided a peanut butter and jelly sandwich and a drink; or the child may bring a lunch from home. The Superintendent or designee shall decide which sanction shall be imposed, on a case-by-case basis.

At least one (1) advance written warning must be given to the student and the parent(s)/guardian(s) prior to refusal to allow additional meals due to ticket misuse. The written warning must include an explanation that the student has repeatedly had a problem with the chosen form of exchange and that, should the student again misuse the ticket, s/he will be expected to either bring lunch or pay full price for lunch.

Meals must always be provided to preprimary and young primary students or for any disabled students who may be unable to take full responsibility for a meal ticket.

Meal Charges

In the case of any student who comes through the serving line without a meal ticket or the money needed to purchase a lunch, these procedure will be followed:

1. A student will be allowed to charge a meal up to ~~two~~four (24) times (2 lunch meals and 2 breakfast meals) without having repaid the charge(s).
2. Once a student has accumulated outstanding charges for ~~two~~four (24) total meals, and s/he is unable to repay the charge(s) and is incapable of purchasing a meal, s/he will be provided a peanut butter and a jelly sandwich, a cheese sandwich (or other form of food as determined by cafeteria staff) and a drink.
3. Any charge made is done so with the understanding that the student will reimburse the school for the charged meal within two (2) weeks of the date of the charge.
4. In the case of outstanding obligations resulting from meal charges that have not been paid or checks returned due to insufficient funds, the school shall allot a reasonable amount of collection time for fulfilling this responsibility. If the deadline date for this obligation has passed and the obligation has not been satisfied, outstanding obligations may result in legal action being filed

FNS#791-1	<p>with the appropriate Magisterial District Judge. Additionally, parent(s)/guardian(s) may be responsible for court costs and attorney fees. In the attempt to collect this debt, parent(s)/guardian(s) share have thirty (30) days to dispute the validity of the debt. If parent(s)/guardian(s) notify the school district within thirty (30) days that the debt is wholly or partially disputed, they will be provided with a verification of the debt. Unless parent(s)/guardian(s) dispute the validity of the debt within thirty (30) days after receipt of a written statement regarding the debt, the debt will be assumed to be valid.</p> <p>Method of Payment</p> <p>Students may pay for meals with cash, personal check, certified check or money order.</p> <p><u>Parents may put money on child's account via a Board approved web-based system.</u></p> <p>Any checks returned due to insufficient funds will result in an obligation on the part of the student to compensate for the original debt and any additional debt accrued, including a \$20.00 charge. See Item 4 immediately above (under the "Meal Charges" section of this policy) for further details regarding outstanding obligations.</p> <p>Prohibition Against Denying Meals and Milk to Students as a Disciplinary Action</p> <p>Disciplinary action that indirectly results in the loss of meals or milk is allowable (Example: A student is suspended from school). However, withholding meals or milk as a disciplinary action, or imposing a disciplinary action that directly results in the loss of meals or milk, is inconsistent with regulation and not allowable. School food authorities are to make a reimbursable meal or milk available to any student attending school who, for disciplinary reasons, is not allowed to eat in the cafeteria. This does not necessarily mean that all choices must be made available. Denial of meals or milk is inconsistent with Section 2 and 9 of the National School Lunch Act and Sections 2, 3, and 4 of the Child Nutrition Act of 1966.</p> <p>References:</p> <p>School Code – 24 P.S.
