History

24 P.S. § 1-121 is the ultimate authority on Keystones. Until 2012, the 1949 rules had never been amended.

In 2012 it was amended to include a gradual implementation of Keystones as a graduation requirement beginning with the Class of 2016(?) and included the development of PBAs. In turn, PDE and the State Board of education amended 22 Pa. Code § 4.51b (Keystones) , § 4.51c (Project Based Assessments) and § 4.24 (HS graduation requirements), which version we still have today.

As pushback against testing emerged, state lawmakers delayed the implementation of 24 P.S. § 1-121 which in turn delayed revision of 22 Pa. Code § 4.51b, § 4.51c, & § 4.24. State lawmakers tasked PDE and the State board to develop alternate ways to graduate in addition to the test, which they did and which Gov Wolf signed into law as Act 158 AND Act 6 (for CTE students).

In Dec 2019, 24 P.S. § 1-121 was finally updated to reflect the new recommendations but did not have all the required cut scores delineated for all the multiple methods of graduation for the Class of 2022, so to this date, 22 Pa. Code § 4.51b, § 4.51b, & § 4.24 ARE STILL NOT UPDATED.

Until such time as they are updated, PDE released its document entitled "Statewide High School Graduation requirement Guidance Act 158 of 2018" and that is what we follow. Cut scores have been gradually released by the IUs in the interim and can be found in the Minutes of the 3/18/20 SBOE meeting.

As part of legislative changes due to COVID, SB 1216 is currently making its way through the amendment process and includes language that would postpone this until the Class of 2022-2023. However, they are unsure that this will be accomplished before the election break, so schools should plan for implementation since Winter Keystones are in December and January.

Screencastify Quote: August 11, 2020
From: Nate Jones (nate@screencastify)

In this case, a District License would be $7,500/year and would provide access to all staff and students in your domain. All you'll have to do is turn on automatic assignment in your Screencastify license manager and then everyone in your domain will automatically have access to Unlimited features the next time they use the extension.

We also have additional PD packages available that I'd be happy to chat about.

Do you have a timeframe for if/when you'd look to roll this out?

Happy to provide additional info or answer any questions - just let me know how I can be helpful!
Nate

Mote Quote: August 11, 2020
From: Will Jackson (will@justmote.me)

We charge per teacher for our Unlimited tier, and for school or district accounts this includes free upgrades for all students.

Our regular price per teacher is $39 / year for schools purchasing 10+ seats, but for a district of your size we want to offer very attractive pricing. I can extend a 50% discount off the regular price ($19.50 / teacher) if you purchase by September 30 - that's a total of $11,700 for 600 teachers and your 7,000 students.

We can help with PD and onboarding support as needed.

If your budget won't stretch to cover everyone in the district please let me know and we can try to find a creative solution to fit your budget. Please let me know if you'd prefer a call.
