006. MEETINGS

Section 1. Role and Function

The meetings of the Board are basic to the operation of the Board. All official action of the Board shall be taken only when the Board is in formal session.

Since members of the Board may not function officially as individuals, the Board meeting presents an opportunity for the school program to be discussed and appraised and for individual biases and opinions to be aired as the Board works toward consensus decisions on specific instances. In addition, the meeting provides an appropriate place for items of interest or concern to individual citizens or groups of the school community to be heard and considered.

Section 2. Parliamentary Authority

All Board meetings shall be conducted in an orderly and business-like manner. Robert's Rules of Order, Newly Revised, including group rules shall govern the Board in its deliberations in all cases in which it is not inconsistent with statute, regulations of State Board, or Board procedures. [\[1\]](#)[\[2\]](#)

Section 3. Quorum

A quorum shall be five (5) school directors present at a meeting. No business shall be transacted at a meeting without a quorum, but the school directors present at such a meeting may adjourn to another time. A school director shall be considered as being present for the purpose of determining a quorum and may participate in a public Board meeting via speakerphone or other remote means provided the following conditions are satisfied: (1) the absent member can hear the comments of those speaking at the meeting; (2) the absent member can speak to all those present at the meeting; and (3) the absent member is able to interact contemporaneously as if he or she were present in person. Such remote participation will be allowed if it has been approved by the Board President at least twelve (12) hours prior to the scheduled start of the meeting. The Board President shall, at the start of the meeting, inform all
